InfoWave Subsidiary Appoints New Managing Director

Singapore, March 23, 2009 - InfoWave Pte Ltd ("InfoWave") today announced the appointment of Mr. Maurice See as the Managing Director of Autoscan Technology Pte Ltd ("Autoscan"), the Group's subsidiary, with effect from March 23, 2009.

Maurice will lead Autoscan's business, which offers RFID-enabled supply chain management ("SCM") solutions to companies in the logistics, petrochemical, aviation, electronics and manufacturing industries.

"We are pleased to welcome Maurice to Autoscan," said Mr. Chay Yee Meng, InfoWave Chairman and Group CEO. "Maurice brings with him a wealth of knowledge about the SCM, ERP, and BPM market segments. We look forward to his contribution as a valuable member of our leadership team."

Maurice will take over the Managing Director role from Mr. V. Mathivanan, InfoWave Group's Senior Vice President, who has been covering the position. Mathi will return to InfoWave to head the Consulting Division.

"We thank Mathi for his contribution to the Autoscan business. During these eight months, Mathi has helped to improve Autoscan's market position in the SCM segment," said Mr. Chay.

In his previous role as the Group Managing Director (Enterprise Business Applications) of Sandz Solutions Singapore, an IT and consultancy group, Maurice oversaw the company's business in Singapore, Malaysia, Indonesia, Philippines and China, and was responsible for their profitability. Previously, he has worked for various leading companies including Glovia International, Ariba Singapore and Infinium Software.

Maurice graduated in 1989 with a Bachelor of Commerce in Economics (Honours) degree from St. Mary's University.
